

Lichfield Cathedral Chamber Choir

Friends of the Chamber Choir

The Lichfield Cathedral Chamber Choir is a versatile group of singers, performing at a wide variety of services, events and concerts.

We are keen to expand our repertoire and performance opportunities, and have recently formed the “Friends of the Chamber Choir”, inviting members to contribute a minimum of £20 a year (renewable each September) to help cover the costs which inevitably arise. Members receive advance information about concerts and other events, are offered discounts on concert tickets, and are invited to special gatherings from time to time, but most importantly your membership will help us to keep in touch with you.

If you think you would like to support the choir’s continued ambition to stage orchestral concerts, to purchase and perform new repertoire, to commission new works, and to be ambassadors of Lichfield music beyond the region, we hope you will consider becoming a “Friend”.

Please complete and send the attached form to the Friends Membership Secretary, Carol Davies-Lee, at 24, Park Road, Alrewas, Staffs, DE13 7AG, or contact Carol for further information at caroldavies-lee@hotmail.co.uk.

Thank you for your support.
